Agenda

- Overview
- CoeusLite My Awards
- PI/Co-I Access to My Awards: Project Documents
- Roles Database Integration for My Awards Roles
- New Coeus User Roles for Electronic Documents
- Document Types & Naming Conventions
- Resources

Why Electronic Document Storage?

- A Digital MIT initiative to reduce paper, improve access and streamline workflow
- EDS enables 24/7 access to Institute Proposal and Award documents for all research stakeholders
- Aug 2012 – all Development Proposals created and stored in Coeus

Coeus Electronic Document Storage

April 2013 – OSP started attaching documents to Institute Proposals

January 14, 2014 – OSP started attaching documents to Award accounts

- All active NSF, NIH, ONR and DOE awards
 - Awards and Mods – Retroactive
 - Other associated documents – Going forward only
- All other sponsors – Going forward only

Coeus Electronic Document Storage

Institute Proposal Attachments

- Only documents not available in the Dev Proposal are uploaded as IP Documents
 - Examples: JIT submissions, Reps & Certs

Award Attachments

- In general, all documents related to the award are attached at parent level
 - Examples: Agreements, mods, extension requests, sponsor approvals
- Exceptions (attached to child accounts) include:
 - Task Orders/RPPs under master agreement
 - Fabricated Equipment approvals

Coeus Electronic Document Storage

Moving toward paperless!

- Storage of paper files discontinued going forward
- Awards received before 1/14/14 will have some documents in paper file, some electronic

Future process changes:

- Electronic document storage will enable streamlined process for communicating new awards/mods and account set ups/changes by OSP to DLCs/PIs

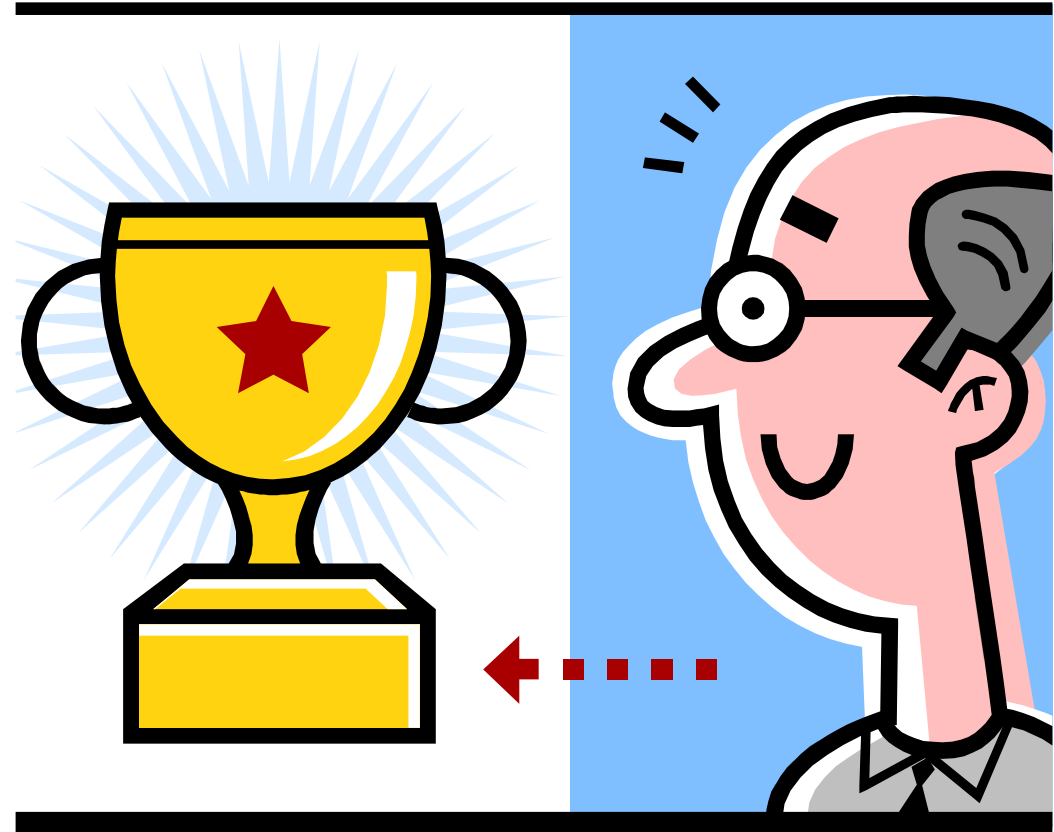

CoeusLite: My Awards

Provides authorized users one-stop access to documents linked to an award across modules (Development Proposal, Institute Proposal, Award)

PI/Co-I does not require a Coeus role – access requires up-to-date Certificates

DLC may limit authorizations to view documents for a specific module, or across all modules

PI My Awards: Project Documents

Award Summary

- PI select an award from the **My Award List** of parent level awards (-001) on which he or she is a PI or Co-I
- Award Summary** includes Account, Award Type, Account Type, Effective Date and Personnel, Schedule and Special Reviews, Money and End Dates
- PI at parent level (lead/contact) has **Project Documents** link in left Navigation

My Award Roles Integrated with Roles Database

- CoeusLite My Award authorizations will be **maintained by DLC Financial Primary Authorizers via the Roles Database**
- Document Roles enable viewing of attachments in Coeus Premium Award and Institute Proposal modules and via the new CoeusLite My Awards *Project Documents* interface

My Awards Roles maintained in Roles Database

New Roles for Project Documents DLC Authorization

- View Shared Award Documents
- View Shared Institute Proposal Documents
- View Dev Proposal Attachments
- View All Shared Documents

Existing Coeus Roles moving to Roles DB

- View Departments Awards
- View Key Person Maintenance
- Maintain Key Person

My Award Roles Integrated with Roles Database

- Authorizations granted at Unit/Profit Center level (e.g. PC391000 – OSP)
 - *NOTE: Cost Object level role assignment is NOT compatible with Coeus*
- “View Departments Awards” populates users’ My Awards lists with all -001 level active awards for the Profit Centers in which the roles is assigned
 - Without it, My Awards will not display list of -001 awards; users must use Award Search for access
 - Should be assigned along with Project Document and Key Person Maintenance roles

Coeus Authorizations – where to assign them?

Roles Database – DLC Maintained Roles	Coeus Maintained Roles (via Webform request)

View Key Person Maintenance	Proposal Creator*
Maintain Key Person	View/Maintain All Dev Proposals*
View Shared Award Documents	View/Maintain Award Budget for RAFT**
View Shared Institute Proposal Documents	
View Dev Proposal Attachments	
View All Shared Documents	

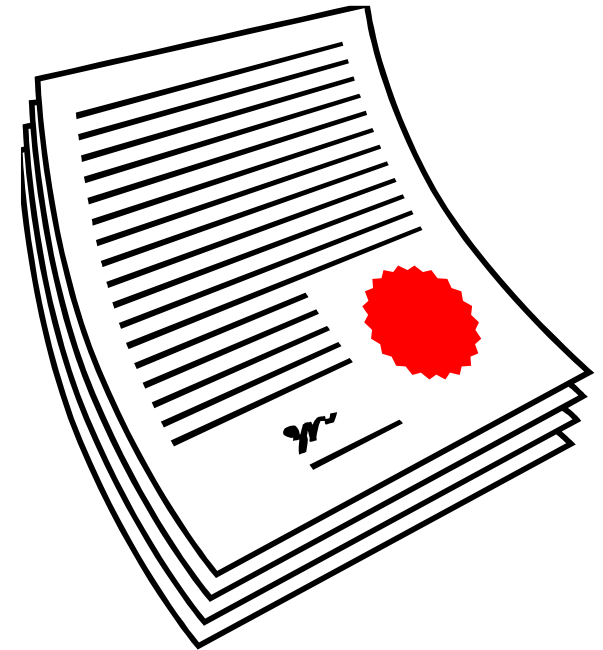

* Requires request come from DLC AO/FO

** Requires Award Budget training completion

1. View Shared Award Documents (New Role)

Will allow user to access

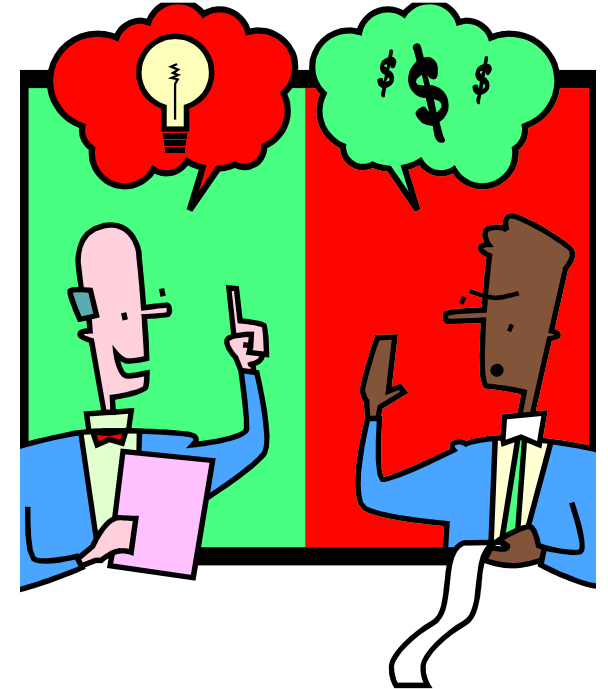

- all shared Award Documents at the -001 parent plus all shared Award Documents at child award levels when accessing via the -001 level award
- only Shared Award Documents on a given child account when accessing via child award record (Award Search)
- only Shared Award documents if no additional View Documents role is given for other modules (e.g. no Institute Proposal documents will display)

2. View Shared Institute Proposal Documents (New Role)

Will allow user to access

- For -001 parent award - all Shared Institute Proposal attachments on IPs funded to the -001 parent or any of its child awards
- For child award - only Shared Institute Proposal attachments on IPs that are funded to that child account/award

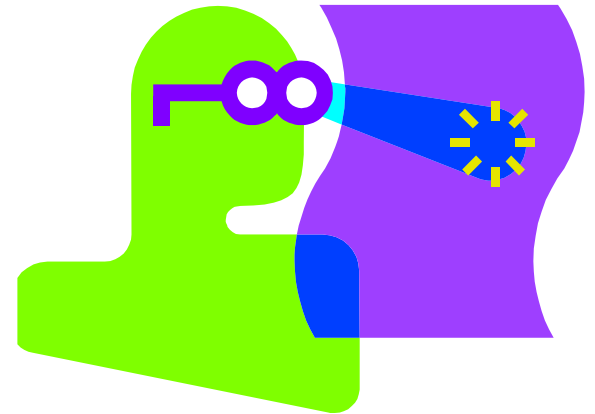

3. View Dev Proposal Attachments (New Role)

Will allow user to access

- All Proposal Dev Attachments on Dev Proposals linked to Institute Proposals funded to the -001 award parent, AND
- All Proposal Dev Attachments on Dev Proposals linked to the Institute proposals funded to child awards in the structure
- For child award records: all Proposal Dev Attachments on Dev Proposals linked to IP's funded to that child award

Note: this role does not give access in Coeus Lite or Premium to the Proposal Development Module

4. View All Shared Documents (New Role)

This role combines the rights of all three View Shared Documents roles, and can be used by DLC Primary Authorizers to grant all three roles to a user without having to individually select each one

- View Shared Award Documents
- View Shared Institute Proposal Documents
- View Dev Proposal Attachments

Document Types and Naming

- ❖ “Award Attachment Types” & “Institute Proposal Attachment Types” tables provide guidance on which sort of project documents are uploaded where and what info the naming conventions convey

Award Attachment Types		
DOCUMENTS NOT UPLOADED TO COEUS:		
COEUS input forms		
COEUS COI hold releases and other hold releases		
Email communication within OSP (CA/ACA/data team) regarding COEUS changes		
SAP Summary Statements and Detailed Transaction Reports		
Unsigned COEUS NOAs or Change Notices		
<input checked="" type="checkbox"/> Shared <input type="checkbox"/> Non-Shared (OSP only)		
DOCUMENT TYPE	DESCRIPTION ² [Required field. Only ~60 characters are visible. Recommended text below. More may be included if space permitted.]	What is it?
Agreement	For Fed awards: <i>[full award #. The screenshot displays the CoeusLite web application interface. At the top, the user is identified as 'User: Haskell, Edward' with a 'Current Locks' link. A navigation bar includes 'Coeus Home', 'My Proposals', 'My Awards', 'My COI', 'Inbox', 'My ARRA', and 'Logout'. The main content area is titled 'Welcome to CoeusLite' and lists 'Primary Features of Coeus Lite include:'. These features are: 'My Proposals' (for preparing and submitting grant applications), 'My Awards' (for reviewing award information and maintaining key persons), 'My COI Disclosures' (for submitting conflict of interest disclosures), and 'My ARRA' (for reviewing data and completing reports). A sidebar on the left provides links for 'All Coeus Lite Users' (Grants.gov, Training and Reference Materials, CoeusLite Proposal Preparation Manual, Award Budget) and 'For Coeus Premium Users' (Launch Coeus Premium, Change Password, Premium Proposal Preparation Manual, Help). A 'Coeus Mission' statement is on the right, and a footer contains copyright information and a version number.

Coeus Mission

To create, maintain and support the most robust electronic solution to manage all components of sponsored projects from proposal development through award closeout while fostering best practices by joining innovative technology with the knowledge base of a national consortium of research stakeholders.

Welcome to CoeusLite

Primary Features of Coeus Lite include:

My Proposals - Allows Principal Investigators and departmental administrators to prepare and submit grant applications for Institutional Approval and allows for system-to-system transmission of applications to federal agencies through Grants.gov.

My Awards - Allows Principal Investigators and department administrators to review summary level award information including investigators, award amount, special reviews, etc.; also provides access for Principal Investigators and departmental administrators to maintain and confirm award key persons through Key Person Maintenance.

My COI Disclosures - Allows Principal Investigators and Key Personnel to submit proposal-specific and annual financial conflict of interest disclosures as required by federal regulations and some non-federal sponsors.

My ARRA - Allows Principal Investigators to review data gathered from Coeus and SAP and complete their reports to meet the Federal reporting requirements of section 1512 of the Recovery Act.
